

Northland Services Empty Equipment Availability Notice

Purpose and Directions of this form

This form, once completed and forwarded to Northland Services Equipment Control Department, will evidence your notification that the equipment is empty and available at the **required place of return**. Please take the time to document empty equipment that was consigned to/being utilized by you, and forward the form to the contact info below. Doing so will assist in the process of retrieving the equipment and minimize detention billing (see detention language for details). Please make copies of this document for future use.
