CHANGE IN FUEL SURCHARGE

To All Valued Customers:

In response to the continuously increasing cost of fuel, Aloha Cargo Transport will implement an increase in the fuel surcharge from the current level of 35% to 43.5%, effective May 1, 2011. ACT has filed this change with the Surface Transportation Board, and it will first be applied to shipments moving on voyage H1106 Eastbound and voyage H1107 Westbound.

Thanks to all for shipping with ACT under these difficult circumstances.

Yours very truly,

ALOHA CARGO TRANSPORT
