## CHANGE IN FUEL SURCHARGE

To All Valued Customers:

In response to the recent rising cost of marine fuels, Aloha Cargo Transport will implement an increase in the fuel surcharge from the current level of 40.5% to 45.5%, effective February 26, 2012. ACT has filed this change with the Surface Transportation Board, and it will first be applied to shipments moving on voyage H1203 Eastbound and voyage H1204 Westbound.

Thanks to all for your continued support and shipping with ACT under these difficult circumstances.

Yours very truly,

ALOHA CARGO TRANSPORT
